

## **JOB POSTING: Music Therapy Aide**

JB Music Therapy is an award recognized Canadian company based in Calgary, Alberta. JBMT is a team of Accredited Music Therapists (MTAs) who design treatment plans for people of all ages to foster change: boost mood, decrease stress, improve speech after injury, increase focus, develop learning, lessen anxiety, and recover lost memories. Established in 1991, JBMT is well integrated into the Calgary community and facilitates programs for a multitude of agencies, schools, and hospitals.

**We currently have an opening for a 2.25 hour a week contract in SE Calgary.**

### **Candidate Attributes**

As the ideal candidate you are passionate about long-term seniors care. You have excellent interpersonal skills and you are able to interact with different personalities as you transport them to their next group or individual music therapy session. You look forward to witnessing the power of music and are very helpful to others. You are open to feedback since you have a passion for learning and growth. You are professional, both in manner and appearance. You are in good health and physically able to perform the duties of this position that includes helping residents commute to their group room (pushing wheelchairs) ensuring resident safety at all times. You are interested in being part of our company.

### **Candidate Education and Skills**

- You have a police check completed in the past 3 year.
- You are comfortable to help transport seniors with all types of personalities
- Previous experience in a long-term care facility is preferred.

### **Position Overview**

Under the supervision of the Certified Music Therapist (MTA), and under the day-to-day direction of the Music Therapy Director, the Music Therapy Aide will provide resident-focused care and service in alignment with the company's philosophy of care and cultural pillars of safety, quality and respect.

### **Key Position Responsibilities**

- Assists Certified Music Therapist (MTA) onsite.
- Documents concerns and report any resident changes or other concerns to the MTA.
- Assist with the transfer of residents who are attending the Music Therapy sessions.

**Contract Fee:** \$12.00 /hour for 2.25 hrs per week (with growth potential) - Wednesday pm
