

MILESTONES MUSIC THERAPY

Early Intervention Group

February 6 - May 29, 2019

Ages 2 - 6. Small Groups. Goal-Driven. Skill Development. Only 6 Spots Available

Music therapy sessions will be personalized for each group and include: instrument play, singing and a variety of sensory experiences to reach goals effectively. Unlike other early childhood music programs, group music therapy services allow for a client centred approach with adaptations applied to interventions, instruments, and songs in the moment to increase participation and to best meet the needs of every child. Each intervention is designed with the goals of the child and the group in mind.

Where: JB Music Therapy Office (1 - 1332 Hastings Cres SE)

Time: Wednesdays 11:00 - 11:45

Costs: \$289.00 Per Child (15 weeks). No sessions March 27 and April 3
